

## Board Elections

We are currently soliciting nominations for candidates to the 2014 Antelope Meadows POA board. Anyone interested in running should submit a brief Bio to the board so the nominating committee can put together a list of eligible candidates. Candidates must be POA "members in good standing" to be eligible. Ballots will be mailed out in November. Our next general meeting will be December 10, 2013 and the results of the elections will be documented. We will use mail-in type ballots.

The nominations need to be in by the end of October, so we can mail out the ballots in mid November. This will allow 2 weeks to complete the ballots and mail back. The December meeting is considered to be our annual meeting which is required by our CC&Rs, and all ballots can be received up to the beginning of the meeting on December 10, 2013 but no later. Place for our meeting will be put up on the board at the entrance to Antelope Meadows and on the website.
